

Recorder Club

Grades 3-8: Starts: 9/19/18

2018 - 2019

- **What is the All Saints Recorder Club?**

The ASA Recorder Club is for students who already know how to play recorder and want to have some more fun with it. It challenges them to go that step beyond. It means practicing extra **beyond** your class lessons. Extra belts are earned for the extra effort put in!

These are the concerts currently under consideration:

Halloween, Christmas Show (12/13); featured at a school mass (TBA); Variety Show (TBA)

- **Who can be in the club? When will we meet? Where will we meet?**

- The club is open to **Grades 3-8**, experienced players.
- **Wednesday: 1:55 – 2:30** in the Music Room. (Note the new time for the club.) We will start promptly.
- Sign-in to Stay 'N Play will be after club this year. They will have any notes for changes from the office.
- Bus students can still attend. You should be packed up and have your items outside the Music Room. We will work together on music missed. I ask that walkers stay the extra 10 minutes until 2:30.

- **Is it every week? Do I have to do every concert?**

- Yes, we do meet every week. We will prepare for the events as they come up. If you know you can't make a rehearsal ahead of time, please let me know by **sending in a note or an email**. Thank you. I will also let you know if I need to cancel by email.

- **What will we play?**

We will do music to fit the occasion. Different levels and styles of music are given to give a little challenge to this group but also just to have some fun. The pride and talent that come out of this group show off the academic excellence of ASA! I'm hoping to have some takers to learn how to play alto recorder this year.
