

Rosary Club at ASA PreK – 8

The ASA Rosary Club is a wonderful time for our students and staff to come together to pray for our own intentions and special intentions needed in the world. It is open to all students and staff and is a “fluid” club – meaning that it doesn’t require attendance every week.

We changed the time to 1:55 on Tuesday afternoons in the Gym to allow for participation by all. Occasionally, a teacher may choose to bring down their entire class to participate to tie into their Religion studies. We may decide to have a whole school Rosary day. On other days, individual students who wish to come and pray the Rosary can come down.

If we start at 1:55, the Rosary prayers will most likely be completed by 2:20. All participating students will come to the gym, packed up for the day. Announcements will be said at 1:50 and the club dismissed at the end. If we are not done, the bus students will simply leave us with our blessings when the 2:20 bell rings. The rest will finish up the Rosary prayers.

If your student is interested in attending on an individual basis, please return the form below. Again, unless it’s a class or school activity, your child does not need to attend every week. This form will give us an idea on who to expect.

May God’s peace be with you always!
