

This October, the fourth grade class at ASA want to prove that even the smallest acts of love, such as donating a pair of socks, can make a difference. We will be collecting as many NEW pairs of socks as possible for men, women, and children. The socks will then be donated to a local shelter in Elmira and local area food banks. Will you help us? Let's show the world that the students at ASA care. We may be young, but we CAN make a difference. #SOCKTOBER

Who? YOU!

How? Send in new pairs of socks for men, women, and children during the month of October.

Want to know more? Go to the link listed below and check out what Kid President has inspired us to do.
